

North Texas Microwave Society - NTMS

Dedicated to promoting Activity, the state of the art in equipment design and the exchange of ideas and technology for the amateur bands above 902 MHz

Feedpoint is a bimonthly publication of the North Texas Microwave Society. NTMS dues are \$12 per year, add \$1 for a family membership. The family membership includes all family ham members. Please fill out a membership form for each member and mail to WA5TKU. One *Feedpoint* per family. *Feedpoint* issues are mailed for arrival preceding the December, February, April, June, August and October meetings.

Deadline for Articles and Classifieds is the 15th of January, March, May, July, September, and November
