NTMS Budget & Dues

- Total \$617 / \$20 dues > 31 members min
- Does not include meeting room space and ARRL Spectrum Defense Fund donations
- ARRL SDF donation is approx. \$300 so our total operating expenses are over \$900 per year.
- This takes 45 supporting club members to equal our operating expense *just to stay flush*.
- Reality is: our account has averaged a \$500 drop every year in the past 5 years.
- The math seems to indicate that we have 20 supporting club members on annual average.

NTMS Budget & Dues

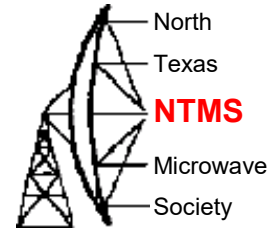

- Like all things there is a finite amount of time we can operate at the current drift down before activities of the club will be affected.
 - Zoom Meeting \$160/yr
 - Website Blue Host \$86/yr
 - ARRL Liability Insurance \$200/yr
 - PO Box \$146/yr

 - Combined experience of IEEE members and RF Engineers
 - Operational skills gained over decades of time
- The next gen of microwave operators are among us today. For our mission to succeed will depend on them and the persistence of NTMS resources.
